
Executive Development Programme in Strategic Crime Investigation Leadership

Why the Global Market is Paying a Premium for This Skill Set

Source: McKinsey Global Institute, World Economic Forum, OECD (2026)

Trend Driver | Why It Matters | Global Source

Escalating Transnational Crime Networks | Organized crime is projected to erode up to 2% of global GDP by 2030, driving demand for strategic investigative leadership | McKinsey Global Institute

Digitalization of Financial Systems | Rapid fintech adoption creates new vectors for fraud, requiring leaders who can integrate cyber-forensics with traditional investigation | World Economic Forum

Regulatory Tightening on Anti-Money Laundering | Stricter AML regimes worldwide increase the need for senior officials who can navigate complex compliance and enforcement landscapes | OECD
